

# Montgomery Gentry, Your Tears Are Comin'

I hear you smiling  
Been look-in good  
Nothing but blue sky's in your neighborhood  
They say your tickle pink ever since you left me  
And you been talking about me like you never met me but

Your tears are comin (like that)  
Hard Georgia rain (like that)  
East Texas floodin (like that)  
Florida hurricane  
You can't just hurt someone and not feel a thing  
those sunny days are numbered your tears are comin

I know your girl friend told ya that I've been cryin and I still ain't gotten over your two timin  
Next time your talking to her, now who's the fool  
Tell her to tell you how she got me over you

Your tears are comin (like that)  
Hard Georgia rain (like that)  
East Texas floodin (like that)  
Florida hurricane  
You can't just hurt someone and not feel a thing  
You got my money best of my life  
I know your somewhere laughin lovin someone else tonight  
that word ain't flat (baby)  
incase your wondering WHAT GOES AROUND COME AROUND your tears are comin

your tears are comin yeah

Hard Georgia rain (like that)
