

Montgomery John Michael, Cowboy Love

COWBOY LOVE

You drive a baby blue Boomer
I drive a pickup truck
I'm a member of the good ol' boys
You're a member of the Country Club
You keep turnin' me down when I ask you out
But I ain't givin' up
I'm gonna show you darlin' a little cowboy love

CHORUS

Let me broaden your horizons
Teach you 'bout the finer things in life
Like some late night horseback ridin'
Sippin' on some southern homemade wine
If a little two steppin', star gazin', breathakin', lovemakin'
Is what you're dreamin' of
Then let me show you darlin' a little cowboy love
You need a little adventure
To ignite your world
I can picture you in cowboy boots
I can picture you a country girl
Once you give me a try then you'll know why
You can't get enough
So let me show you darlin' a little cowboy love

REPEAT CHORUS

BRIDGE

Maybe underneath the midnight/moonlight
Cuddled up real tight
Cozied down by a fire
Listenin' to some George Strait, George Jones
Country love songs you'll change your mind

INSTRUMENTAL

REPEAT CHORUS
