

# Monty Python, Always Look On The Bright Side

Some things in life are bad  
They can really make you mad  
Other things just make you swear and curse  
When you're chewing on life's gristle  
Don't grumble, give a whistle  
And this'll help things turn out for the best...

And... always look on the bright side of life...  
Always look on the light side of life...

If life seems jolly rotten  
There's something you've forgotten  
And that's to laugh and smile and dance and sing  
When you're feeling in the dumps  
Don't be silly chumps  
Just purse your lips and whistle - that's the thing

And... always look on the bright side of life...  
Always look on the light side of life...

For life is quite absurd  
And death's the final word  
You must always face the curtain with a bow  
Forget about your sin - give the audience a grin  
Enjoy it - it's your last chance anyhow

So always look on the bright side of death  
Just before you draw your terminal breath

Life's a piece of shit  
When you look at it  
Life's a laugh and death's a joke, it's true  
You'll see it's all a show  
Keep 'em laughing as you go  
Just remember that the last laugh is on you

And always look on the bright side of life...  
Always look on the right side of life...  
(Come on guys, cheer up!)  
Always look on the bright side of life...  
Always look on the bright side of life...  
(Worse things happen at sea, you know.)  
Always look on the bright side of life...  
(I mean - what have you got to lose?)  
(You know, you come from nothing - you're going back to nothing  
What have you lost? Nothing!)  
Always look on the right side of life...
