Monty Python, Always Look On The Bright Side

Some things in life are bad They can really make you mad Other things just make you swear and curse When you're chewing on life's gristle Don't grumble, give a whistle And this'll help things turn out for the best...

And... always look on the bright side of life... Always look on the light side of life...

If life seems jolly rotten
There's something you've forgotten
And that's to laugh and smile and dance and sing
When you're feeling in the dumps
Don't be silly chumps
Just purse your lips and whistle - that's the thing

And... always look on the bright side of life... Always look on the light side of life...

For life is quite absurd And death's the final word You must always face the curtain with a bow Forget about your sin - give the audience a grin Enjoy it - it's your last chance anyhow

So always look on the bright side of death Just before you draw your terminal breath

Life's a piece of shit When you look at it Life's a laugh and death's a joke, it's true You'll see it's all a show Keep 'em laughing as you go Just remember that the last laugh is on you

And always look on the bright side of life...

(Come on guys, cheer up!)

Always look on the bright side of life...

Always look on the bright side of life...

(Worse things happen at sea, you know.)

Always look on the bright side of life...

(I mean - what have you got to lose?)

(You know, you come from nothing - you're going back to nothing What have you lost? Nothing!)

Always look on the right side of life...
