

Monty's Fan Club, Down Without A Fight

Yeah, so many people feel like getting mad for no reason at all, yeah
They let this hate lead to throwin' fists and it becomes their fault (whoa ho ho)
Just last week I saw some guy on the streets
One other guy scuffed his shoe
He said, "Hey! Now you're all through!"
The man threw up his hands
And the other walked away
He said sorry and he meant it
That was not enough to say

When I look back on what I should've done
And as I think to myself...

People getting mad for no reason
They don't know why...
People getting mad, stupid reasons
That I know why
It's such a stupid thing to find...
'Cause what you did was wrong
And Matt or Ron will make everything all right

Yeah, why is it that every little thing can bother you, yeah
You go around and pick so many fights
And think you can do just what you wanna do (whoa ho ho)
You knocked him right down
And threw his ass on the ground
Well, he picked himself up
He had had about enough
But he was really smart and he just walked away
All he did was bump into you, sorry was not enough to say

When I look back on what I should've done
And as I think to myself...

People getting mad for no reason
They don't know why...
People getting mad, stupid reasons
That I know why
It's such a stupid thing to find...
'Cause what you did was wrong
And Matt or Ron will make everything all right

Don't worry about who we are, what we do, or what we play
Just let us do or thing, and remember,
just listen to what we have to say!

Yeah, well, people getting mad for no reason
They don't know why, yeah
People getting mad for no reason
They don't know why, yeah
People getting mad for no reason
They don't know why, yeah
People getting mad for no reason
They don't know why, yeah
People getting mad...yeah, yeah, for no reason at all
People getting mad for stupid reasons
That I know why, yeah
People getting mad...yeah, yeah, for no reason at all
People getting mad for stupid reasons
That I know why, yeah yeah (1, 2!)
Huh!
