

# Moon Dakota, A Promise I Make

Girl, you're every breath I take  
Oh baby,  
Your love rules every move I make  
Oh baby,  
And I know that you can't read my mind  
And baby, maybe I

## CHORUS

Don't say it as often as I should But I really want it to be heard  
When I say I love you that's for good  
You have my word  
That day after day after all  
I will always be true  
That's a promise I make to you

You, you take this heart of mine  
And make it better  
I need you to  
Come and walk with me through this life  
Forever  
And I know these words are long over due  
And baby, maybe I

## CHORUS

I may hold you  
I may need you  
I may want to

## CHORUS
