

# Moonlight Awakening, Light From A Dead Star

I see you falling down tonight  
i see you coming near to hold  
oh did you feel it was surreal?  
i see dark strangers coming near

you cannot be afraid,  
you cannot be afraid tonight...

i see you turning down the lights  
illusions complicate your sight  
oh don't you see it's so unreal?  
i see yourself feeding your fear

you cannot be afraid,  
you cannot be afraid tonight...
