

Moonlight Awakening, The Face Of Hope

If you'd believe in me, i wouldn't fail to see
the way we've swallowed time in this disturbing light
face down in wicked sleep i'm hypnotized by dreams
i look towards the sun, into a faint illusion
from within the shadow burn, a face i cant discern
it speaks to me of forthcoming, the dream abandoning
assimilated to this world, so decadent and so absurd
give to me your only hope, it's with this world i cannot cope
you've only come to speak your mind, you speak to me of paradise
if only i could see your face i'd open up and leave this place
i want this sacred night, i want this paradise,
i want a place to go, oh let me go back home...
