

# Moonpools And Caterpillars, Sundays

How long have you struggled here?  
How long have we tried?  
Don't turn your back on me,  
I'm dying inside.

Is there a yearning inside,  
That keeps the spirit breaking.  
Is there a yearning inside?  
That reminds us we'll succeed?

I've lost once before,  
I'm older now.  
Sometimes i cannot remember,  
But sometimes cannot forget.  
I've lost once before,  
I'm older now!  
But sometimes i forget my age!

Is there a yearning inside,  
That keeps the spirit breaking.  
Is there a yearning inside?  
That reminds us we'll succeed?  
Sundays, Sundays!

How long have you struggled here?  
How long have we tried?  
Don't turn your back on me,  
I'm dying inside.

Is there a yearning inside,  
That keeps the spirit breaking.  
Is there a yearning inside?  
That reminds us we'll succeed?

(repeat till end...)
