"Voa Serpente do orgulho, Me da terra, nossa Me
Lei daqueles que clamam
P'lo Homo Natura, p'la flama,

"Masturbar-me-ia sobre a tua divindade,
Enrabar-te-ia se a tua fraca existęncia
Oferecesse um cu minha incontęncia;
Meu brao o corao te arrancar
Para com o meu fundo horror melhor te penetrar."

Marquis de Sade
(1740-1814) "Fly, serpent of pride,
Mother of earth, our Mother
Law of those who claim
For the Homo Natura, for the flame,
Fly erotic Pentagram
And destroy, destroy those who love us."
Langsuyar T. Rex
Fall 1993 e.v.

"I would masturbate over your divinity,
Sodomize you if your feeble existence
would offer an ass to my incontinence;
My arm thy heart would pull out
So that with my profound horror better could I penetrate you."
Marquis de Sade
(1740-1814)
