

# Morandi, Endless love

I:  
Endless pain, I'm living in sin  
Endless pain is burning my skin  
All I need is you, give me love  
I believe in you, take me above...

...

II:  
Searching the light of tomorrow  
Lost in the dark of today  
I'm breaking the chains of my sorrow  
So I can escape...

III:  
Endless pain, I'm living in sin  
Endless pain is burning my skin  
All I need is you, give me love  
I believe in you, take me above...  
IV: Searching the light of tomorrow  
Lost in the dark of today  
I'm breaking the chains of my sorrow  
So I can escape...
