

# Morandi, Mind fields

Shades of purple, shades of gray  
Shades of everything I say  
Not as ugly as it seems  
As Im walking in my dreams  
Threw these mind fields  
Threw these mind fields...  
Shades of purple, shades of gray  
Shades of everything I say  
Not as ugly as it seems  
As Im walking in my dreams  
Threw these mind fields  
Threw these mind fields...  
Shades of purple, shades of gray  
Shades of everything I say  
Not as ugly as it seems  
As Im walking in my dreams  
Threw these mind fields
