

Morcheeba, One Love Karma

The King of compliments, Im headed out this weekend

My tummy aches of psychosomatic trends,

What can I say yo my timing was off, I got lost in the thicker but defense was all soft

It was all balance among your strange talents, blinded by fatigue and let alone intrigue, Shatter the

Never to assume it that you already knew it though, back at your bungalow dont act so humble yo,

Vote(?) for a seamstress, sentence are seamless, dangling off the needle begging for a kiss, now t

Its not R&B, back to R&D No time for tinkering, no patience for bickering,

Im out the door, the solid oak metaphor; Slam Silent, the notion to tab violent;

Treblent(?) word play, watching the tears decay, The Less Ready will keep it copasetic, My Session

Come On - One love Karma-

No Need to get it Twisted Hun- Dont sweat it.

You need that loved one to give you feed back

Keep it Keep it- Keep it - Copasetic One love karma

One- One- Do-dont Sweat it-

You need that loved one to give you feed back-

Co-co-Keep it Copasetic

On Thursday got a little airplay, rare A+ debut on a weekday

A gold star, debutant report card, I need that, Loved ones given feedback

For peeps sakes, let me digress, you know Im always rambling in time of distress

Im stressed out, Melatonin(?) of melodrama, No further questions, the defense rush your honor. Be

You and a You, Come on One love Karma.

Come on One Love Karma

Come on One Love Karma

You need that loved one to give you feed back

keep- -keep-keep it copasetic
