## Morgan Wallen, Cowgirls

She'll set the field on fire just cuttin' across a pasture She'll have you fallin' for it all and then leave right after And she got a cold heart But she got a warm smile Cut from the same cloth She kinda buck wild Little bit angel Whole lotta outlaw She's trouble but I'll tell you right now, y'all

Long live cowgirls
Never gonna settle on down girls
Leave you in a lonely ghost town world
Where the sun don't rise
Rodeo for one night
Love you like a mustang
One hand on them giddy-up reins
Hole in your heart with some good aim
On a goodbye ride
But it's fine 'cause it's kinda my thing
Long live cowgirls
Yeah, long live cowgirls

I hate that I love the way them kisses taste like whiskey How they wake up, take on off, and not even miss me Leave this heart broken, holding that smokin' gun I guess that's just the way them wild horses run Let 'em run

Long live cowgirls
Never gonna settle on down girls
Leave you in a lonely ghost town world
Where the sun don't rise
Rodeo for one night
Love you like a mustang
One hand on them giddy-up reins
Hole in your heart with some good aim
On a goodbye ride
But it's fine 'cause it's kinda my thing
Long live cowgirls
Yeah, long live cowgirls

Come on, cowgirls Don't you wanna take me away? Lay me on down, girl With the wild kind of lovin' you make For God's sake

Long live cowgirls
Never gonna settle on down girls
Leave you in a lonely ghost town world
Where the sun don't rise
Rodeo for one night
Love you like a mustang
One hand on them giddy-up reins
Hole in your heart with some good aim
On a goodbye ride
But it's fine 'cause it's kinda my thing
Long live cowgirls
Yeah, long live cowgirls
Yeah, long live cowgirls
