Just stopped in here before I went  
And I'll be here until you close  
Or all my money's spent

So if you don't mind my friend

Bartender pour me one more  
Make it quick and make it strong  
'Cause buddy, my last drink, yeah  
Ain't the only thing that's gone

Here's a hundred and some change  
I'll take whatever that'll buy  
Leave a twenty for the band  
If they'll lay off lonesome songs tonight

And whenever you get time

Bartender pour me one more  
Make it quick and make it strong  
'Cause buddy, my last drink, yeah  
Ain't the only thing that's gone, oh no

Bartender pour me one more  
Make it quick and make it strong  
'Cause buddy, my last drink, yeah  
Ain't the only thing that's gone

And I ain't got nowhere to be  
And I'd rather not go home  
'Cause buddy, my last drink, yeah  
Ain't the only thing that's gone
