

# Morgan Wallen, Thinkin' Bout Me

Don't know where you at  
Don't know where you've been  
Don't know nothing 'bout that boy you're into  
Don't feel bad for you  
But I feel bad for him  
And all the hell you gon' be puttin' him through  
Probably tell him we're a burnt out flame  
Probably tell him that I ain't been on your mind  
How I ain't nothing but a long gone thing  
You can cuss my name, but baby, don't you lie

When you're tastin' what he's drinkin' are you thinkin' 'bout me?  
When you're ridin' where he's drivin' are you missin' my street?  
Every time you close your eyes, tell me, who do you see?  
When you're tastin' what he's drinkin' are you thinkin' bout me?  
Comin' over tonight  
Wish that truck in your drive was mine  
Just like you know it's supposed to be  
When you're up in his bed  
Am I up in your head?  
Making you crazy, tell me, baby, are you thinkin' 'bout me?  
Are you thinkin' 'bout? Are you thinkin' 'bout?  
When you're tastin' what he's drinkin' are you thinkin' 'bout me?

Do you hide your phone?  
Did you change my name?  
When he wants to go to our go-to place  
Do you tell him you can't?  
Then go out of your way  
To be somewhere, any damn where I ain't

When you're tastin' what he's drinkin' are you thinkin' 'bout me?  
When you're ridin' where he's drivin' are you missin' my street?  
Every time you close your eyes, tell me, who do you see?  
When you're tastin' what he's drinkin' are you thinkin' 'bout me?  
Comin' over tonight  
Wish that truck in your drive was mine  
Just like you know it's supposed to be  
When you're up in his bed  
Am I up in your head?  
Making you crazy, tell me, baby, are you thinkin' 'bout me?  
Are you thinkin' 'bout? Are you thinkin' 'bout?  
When you're tastin' what he's drinkin' are you thinkin' 'bout me?

Don't know where you at  
Girl, I know where you oughta be

When you're tastin' what he's drinkin' are you thinkin' 'bout me?  
When you're ridin' where he's drivin' are you missin' my street?  
Every time you close your eyes, tell me, who do you see?  
When you're tastin' what he's drinkin' are you thinkin' 'bout me?  
Comin' over tonight  
Wish that truck in your drive was mine  
Just like you know it's supposed to be  
When you're up in his bed  
Am I up in your head?  
Making you crazy, tell me, baby, are you thinkin' 'bout me?  
Yeah, are you thinkin' 'bout me?  
Are you thinkin' 'bout me?
