

# Morgana, To My Heart

Oh I love mon amour oui je t'aime  
Oui je t'aime oui je t'aime oui je t'aime  
Everyday  
Oh I love mon amour oui je t'aime  
Oui je t'aime oui je t'aime oui je t'aime  
Everyday

Tonight I realize the dream  
My love was over yesterday  
I like to be with you again  
Just spend our time together  
Straight to my heart again  
I'm like a dreamer  
I'll be alone the time goes on

The flame was burning in the wind  
You get the promise that you made  
Why did you leave me yesterday ?  
My love will be forever  
What time is hangin' on  
I'm like a dreamer  
Hold on your hand don't run away

Straight to my heart again  
I'm like a dreamer  
I'll be alone the time goes on

Oh I...  
Oh I...
