

# Morley, When I Love You

I cant wait for answer form far beyond the sun  
i cant see the distance  
and know the things ive done  
sadness takes it times to leave it always seems to be  
you bless me when you kiss me  
but the truth is what i need

who do you love?  
who do you trust?  
Who do you love?  
Who do you trust?

I will work for lifetimes  
until my soul is set free  
ill extend my self  
beyond a prayer on bended knee  
i found my calling inside  
the eyes of all thing wild  
but one thing i must know  
like a mother knows her child

who do you love?  
(will you ever come to love me?)  
who do you trust?  
Who do you love?  
Who do you trust?

im waiting  
like tomorrow  
to take you by the hand  
and lead you into forever  
sweeten up my land  
sadness takes it times to leave it  
always seems to be  
when you kiss me

who do you love?  
who do you trust?  
who do you love?  
who do you trust?
