

# morphine, I'm Free Now

I'm free now to direct a movie  
sing a song, or write a book about yours truly  
how I'm so interesting, I'm so great  
I'm really just a fuckup and it's such a waste  
to burn down these walls around me  
flexing like a heartbeat  
we don't like to speak  
don't talk to me for about a week  
I'm sorry, it just hurts to explain  
there's something going on that makes my guts ache  
I got guilt, I got fear, I got regret  
I'm just a panic-stricken waste I'm such a jerk  
I was honest, I swear  
the last thing I want to do  
honest, I swear  
the last thing I want to do  
is ever cause you pain  
I'm free now  
free to look out the window  
free to live my story  
free to sing along  
I'm free now to direct a movie  
sing a song, or write a book about yours truly  
how I'm so interesting, I'm so great  
but I'm really just a fuckup, it's such a waste  
to burn down these walls around me  
flexing like a heartbeat  
we don't like to speak  
don't talk to me for about a week  
I'm sorry, it just hurts to explain  
there's something going on that makes my guts ache inside  
I got guilt, I got fear, I got regret  
I'm just a panic-stricken waste I'm such a jerk  
I was honest, I swear  
the last thing I want to do  
honest, I swear  
the last thing I want to do  
is ever cause you pain
