If you can't decide what to do with your life

You just don't know what it is that's right

If you just don't know what to do

You just don't know what's right for you

If you can't decide where to go with your life

You just don't know where to spend your time

If you can't decide where to go with your life

I'm sure you'll do whatever is right

I've always known you were incredibly bright

Get in your go-kart and go little sister

Get it your go-kart and go

Get in your go-kart and go little sister

Get it your go-kart and go

Get in your go-kart and go little sister

Get it your go-kart and go

Get in your go-kart and go little sister

Get it your go-kart and go

And then swing your swift sword sister

Swing your swift sword now

Swing your swift sword sister sister

Swing your swift sword now

Swing your swift sword sister

Swing your swift sword now

Swing your swift sword sister sister sister
