

Morrissey, Billy Budd

Say, Billy Budd
So you think you should ?
Oh, everyone's laughing
Say, Billy Budd
So you think that you should ?
Everyone's laughing !
Since I took up with you

Things have been bad
Yeah, but now it's 12 years on
Now it's 12 years on
Yes, and I took up with you

I took my job application
Into town
Did you hear ? They turned me down
Yes, and it's all because of us
Oh, and what was in our eyes
Oh, what was in our eyes, yeah

I said, Billy Budd
I would happily lose
Both of my legs
I would lose both of my legs
Oh, if it meant you could be free
Oh, if it meant you could be free

(Don't leave us in the dark!)
