

Morrissey, Jacky's Only Happy When She's Up on

Jacky's Only Happy When She's Up on the Stage
I made this claim
now, let me explain
since she lost you

Jacky's Only Happy When She's Up on the Stage
free on the truth
of make believe
since she lost you

she used to ... to proof
how she can feel of the page
of every ... lonely day

Jacky's Only Happy When She's Up on the Stage
she'll make you believe in
what she never believe
since she lost you

Jacky's Only Jacky When She's Up on the Stage
leaving body as she can movey

she used to ... to proof
how she can feel of the page
of every ... lonely day

This country is making mw sick

Jacky's Cracks When She's isn't on the Stage
seeing effect of sexual neglect
no script, no clue
no autocue
no audience telling her what to do

exit, exit
everybody's running to the exit
exit, exit
everybody's running to the exit
exit, exit
everybody's running to the exit
exit, exit
everybody's running to the exit
exit, exit
everybody's running to the exit
exit, exit
everybody's running to the exit
