

Morrissey, Kiss Me A Lot

Bastille Mausoleum
Stockyard, Churchyard
Your mammy's backyard

I don't care when or where
I just care that you're there
And that you will...

Kiss me a lot, kiss me a lot
Kiss me all over my face
Kiss me a lot, kiss me a lot
Kiss me all over the place
Kiss me a lot, kiss me a lot
Kiss me all over and then when you've kissed me
Kiss me all over again

Bastille Mausoleum
Stockyard, Churchyard
Your mammy's backyard

I don't care when or where
I only care that the two of us are there
And that you, and that you will...

Kiss me a lot, kiss me a lot
Kiss me all over my face
Kiss me a lot, kiss me a lot
Kiss me all over the place
Kiss me a lot, kiss me a lot
Kiss me all over and then when you've kissed me
Kiss me all over again

Kiss me a lot, kiss me a lot
Kiss me all over my face
Kiss me a lot, kiss me a lot
All over the place
Kiss me a lot, kiss me a lot
I don't care where or when but when you've kissed me
Kiss me all over again
