

# Morrissey, Tony The Pony

Still drinking on the corner  
Just don't say I didn't warn ya  
Always nagging big brother  
He's only looking out for ya

Tony... the pony  
Tony the pony

You're still standing on the corner  
Just don't say I didn't warn ya  
Old and jealous big brother  
You had your time and you spent it crying

No Tony... the pony  
Tony the pony

So that's what they call you now  
When you're free outside  
So cold and hard and in control and...  
There's a free ride on Tony the pony

Oh why do you always wanna stop me  
From doing the things in life that make me happy?  
And when I'm outside with friends laughing loudly  
Why do you always wanna stop me?

Oh I would never  
I would never

But you will carry the can for anyone  
There's a free ride on guidable Tony

You're drunker quicker and you're sicker even quicker  
Well something heavy is gonna fall on you

And what do they call you now  
When you're free outside  
So cold and hard and in control and erg...  
And we ride on fucked-up Tony

I will never say I told you so  
Or how I knew that something bad would happen to you  
I don't wanna say I told you so  
Oh, but Tony,  
I told you so  
I told you so
