

Morrissey, Will Never Marry

I'm writing this to say
In a gentle way
Thank You - but no
I will live my life as I
Will undoubtedly die - alone

I'm writing this to say
In a gentle way
Thank You ...
I will live my life as I ... oh
For whether you stay
Or stray
An inbuilt guilt catches up with you

And as it comes around to your place
At 5 A.M.; wakes you up
And it laughs in your face
