

# Mors Principium Est, D.I.B.

Behind the gate lies another man  
one more step and he would be free  
he's face so cold and it's turning into stone  
is this another dream

I dream of the lives  
that hides in this valley of sacrifice  
they are hidden somewhere beneath the  
surface  
and i can hear them breathing

Now turn away  
don't look ever back  
I can see the flames  
I can feel my strength  
and now the one have returned  
from it's journey

Those creatures (are crying)  
this silence (is fading)  
to get out from this pain of mine  
I have to be the one

Behind the stars lies another place  
where this man has already been  
the halls so white, the walls so great  
is this the place i dreamt

If they call my name  
I don't want to know  
if they leave behind  
will they turn away  
I just want to see  
all the stars above  
in the sky  
in the beautiful space

Now turn away  
don't look ever back  
I can see the flames  
I can feel my strength  
and now the one have returned  
from it's journey

Those creatures (are crying)  
this silence (is fading)  
to get out from this pain of mine  
I have to be the one too
