

Mortal Love, Reality

What I wouldnt give for-a chance to feel
What I wouldnt give for-a chance to heal
What I wouldnt give for-a chance to cry
What I wouldnt give for-a chance to die
What I wouldnt give for-a chance to hate
What I wouldnt give for-it's all too late
What I wouldnt give for-a chance to need
What I wouldnt give for-a chance to bleed
All the beauty I feel-I know it's not real
All the beauty I see- will never belong to me
I tried to hide
But I fell apart
Why do I try
To desolate my heart
