

# Mortal, Promulgate

Blood red tape disaster  
Slow swimming black Disease  
Seasons strangled stifled strained  
Belief sold for diplomacy

Who will Heal the  
Wounded skies  
Politics terrify  
Tear down the  
Compromise and live For love  
Who will hear the silent Cry  
Our passions Crucify  
There has to come a  
Time when life will prove Enough

Painted warning signs of Life  
Media Sinister selling Spite  
Deep runs the lies  
Breaking Us down  
Belief Sells security

Noble ends dubious Means  
Elude the Sleeper  
Swift the gap closing Between  
The fool and the Believer!
