

Most do Terabithii, Keep Your Mind Wide Open

Have you ever seen the sky
so beautiful, colorful
wide and wonderful
Have you ever felt the sun shine
so brilliantly, raining down on the earth
Have you ever wanted more?
Wanted more
You've got to keep your mind wide open
all the possibilities
You've got to live with your eyes open
believe in that you see
Think of all the days you've wasted worrying,
wondering, hopelessly hoping
Think of all the time ahead,
don't hesitate, contemplate
No it's not too late
Have you ever wanted more?
Don't you know there's so much more
You've got to keep your mind wide open
all the possibilities
You've got to live with your eyes open
believe in that you see
Tomorrow's horizons
Full of surprises
Don't let them chase
your dreams away
You've got to keep your mind wide open
all the possibilities
You've got to live with your eyes open
believe in that you see
You've got to keep your mind wide open
believe in that you see
You've got to live with your eyes open
believe in that you see
