

Motel Connection, Two

Album: Give Me A Good Reason To WakeE Up (2002)

Dream an answer all day
Its gonna keep me from pain
Wild heat all around
I dont look the same

Beat on wood, fly,
Ride and dream again
An invitation for
I dont know the day

Feel the sun, that shine
So feel that sun liquefying
Hear your sough in time
So hear the sound that survives

Dream an answer all day
Its gonna keep me from pain
Wild heat all around
I dont look the same

Beat on wood, fly,
Ride and dream again
An invitation for
I dont know the day

Feel the sound, that shine
So feel that sound liquefying
Hear your sough in time
So hear the sound that survives
