

# Mother Love Bone, Bone China

In the morning  
She gone crazy  
With a painted picture  
Her father's story (oh yeah)  
Bone China - my friends  
Bone China - let the summer come again  
I said oh oh -  
She be dancing by the moonlit sky  
I'm talkin' to you- oh oh  
She be drinking all my early times  
yes indeed ah - oh oh  
She be movin like a butterfly-  
yeah, yeah  
and I'm just waiting on that dream -  
because the fast ones  
always ride for free  
Ugly morning -  
shes a Jezebels daughter  
She's like a Brunhilda,  
A child of the water  
Bone China - my friends  
Bone China - let the summer come again  
I said oh oh -  
She be dancing by the moonlit sky  
I'm talkin' to her - oh oh  
She be movin like a butterfly-  
sting like a bee- oh oh  
She be shaking like the girl from shine  
yes indeed ah -  
She be movin like a  
she highfalutin like a  
and I'm just waiting on that dream -  
because the fast ones,  
always ride for free  
yeaaaaah  
and I'm just waiting on that dream -  
because the fast ones,the fast ones  
ALWAYS ride for free  
She be dancing in the moonlit sky  
She be moving like a butterfly  
She be shaking like a girl from shine  
She be moving like 'a, highfalutin, like a  
I'm just waiting on that dream - cause the fast one
