

Mother Mother, Arms Tonite

I fell in your arms tonight.

I fell hard in your arms tonight,
it was nice.

I died in your arms tonight.

I slipped through into the afterlife,
it was nice.

White lies in your arms tonight.

I lost sight in your arms tonight,
it was nice.

And hey, you, don't you think it's kinda cute
that I [I] died [died] right inside your arms tonight
that I'm fine even after I have died
because it was in your arms I died.

I cried in the afterlife

I cry hard because I have died,
and you're alive.

I try to escape afterlife.

I try hard to get back inside
your arms alive.

And hey [hey], you [you], don't you think it's kinda cute
that I [I] try [try] to escape the afterlife
that I [I] try [try] to get back in your arms alive,
that I died in your arms,
that I fell hard in your arms,
I went and died in your arms that night..

I fell in your arms tonight..
suicide in your arms...

And hey, you, don't you think it's kinda cute
that I [I] died [died] right inside your arms tonight
that I'm fine even after I have died
that I [I] try [try] to escape the afterlife
that I [I] try [try] to get back in your arms alive,
that I died in your arms that night.

I fell in your arms tonight.

I died in your arms tonight.

I lie in your arms tonight.

I fell in your arms tonight
