

Mother Mother, Try To Change

Try to change..
I try to change..
I make a list of all the ways to change my ways.
But I stay the same,
I stay the s-ame.
Ohh..
I will try and try to change but I just stay the same.
Stay the same,
I stay the same.
In a decadent age I try to change
all my decadent ways but I just can't help but
stay the same.
In a decadent age.
Ohh..
I will try and try to change but I just stay the same.
The same..
The same..
The same..
The same..
Carry a cane.
I carry a cane.
'cause I tried to change
and I tried too hard
so I hurt my leg and well, overall
I just stayed the same.
Now I carry a cane.
Ohh..
I will try and try to change
but the list I made of changes to make,
it bleww awaayy..
blew away..
blew away..
blew away..
Try to change,
Try to change,
I try to change,
Try to change,
Everybody be tryin' to change,
tryin' to change,
I try to change,
I try, it's safe to say, [something..]
Don't change
