

Motley Crue, If I Died Tomorrow

I wake up to find myself
after all these years
and where all the time has gone still seems so unclear
'cause there's no one else since I found you
I know its been so hard you should know
if I die tomorrow
as the minutes fade away
I cant remember
have I said all I can say?
you're my everything
you make me feel so alive
if I die tomorrow

it brings out the worst in me when your not around
I miss the sound of your voice , this silence seems so loud
'cause there's no one else since I found you
I know its been so hard you should know
if I die tomorrow
as the minutes fade away
I cant remember
have I said all I can say?
you're my everything
you make me feel so alive
if I die tomorrow

I spent all my life looking for a real sense
I got nothing to lose one thing to prove
I wont make the same mistakes
now I know that everything will be ok
if I die tomorrow

if I die tomorrow
as the minutes fade away
I cant remember
have I said all I can say?
you're my everything
you make me feel so alive
you're my everything
you make me feel so alive
if I die tomorrow

if I die tomorrow
