

Motley Crue, Never Loved Her Anyway

Standin' at the station, suitcase in my hand
Left that cheatin' woman layin' with another man
But that's okay... I never loved her anyway

If that's the way you want it babe
I never loved you anyway

Drink up all my whiskey
And I pick you up when you fall down on the floor
Takin' all my money
Then I find your ass, headed towards the door

If that's the way you want it girl

I never loved you anyway

Baby listen to what I say
If that's the way you want it babe
I never loved you anyway

Standin' at the station starin' down the track
Left that cheatin' woman with my footprint on her back
But that's okay... I never loved her anyway

If that's the way you want it babe
I never loved you anyway
