

# Motley Crue, Rodeo

Laughing like gypsies, show to show  
Livin' my life like a rolling stone  
This is how my story unfolds  
Traveling man, never at home  
Can't find love so I sleep alone  
This whiskey river has along way to flow  
All that I know is life on this road  
Long way from home  
In this Rodeo  
Rodeo  
Rodeo  
Rodeo  
Rodeo  
Not my home  
Another day, another night on stage  
Lights go down, time to turn the page  
Was this all I ever wanted to be  
Six hundred miles, the highway calls  
Another long day, now the hours get small  
Riding out this rock n roll rodeo  
All that I know is life on this road  
Long way from home  
In this Rodeo  
Rodeo  
Rodeo  
Rodeo  
Rodeo  
Not my home  
All that I know  
Is life on this road  
Long way from home  
In this Rodeo  
Rodeo  
Rodeo  
Rodeo
