

# Motorhead, Enter Sandman

Say your prayers, little one, don't forget, my son  
To include everyone  
I tuck you in, warm within, keep you free from sin  
'Til the Sandman, he comes  
Sleep with one eye open  
Gripping your pillow tight  
Exit light  
Enter night  
Take my hand  
We're off to never-never land  
Something's wrong, shut the light, heavy thoughts tonight  
And they aren't of Snow White  
Dreams of war, dreams of liars, dreams of dragons' fire  
And of things that will bite, yeah  
Sleep with one eye open  
Gripping your pillow tight  
Exit light  
Enter night  
Take my hand  
We're off to never-never land  
Yeah-yeah  
Now, I lay me down to sleep (now, I lay me down to sleep)  
Pray the Lord my soul to keep (pray the Lord my soul to keep)  
If I die before I wake (if I die before I wake)  
Pray the Lord my soul to take (pray the Lord my soul to take)  
Hush, little baby, don't say a word  
And never mind that noise you heard  
It's just the beast under your bed  
In your closet, in your head  
Exit light  
Enter night  
Grain of sand  
Exit light  
Enter night  
Take my hand  
We're off to never-never land (yeah)  
Oh! Yeah-yeah, no  
We're off to never-never land  
Take my hand  
We're off to never-never land  
Take my hand  
We're off to never-never land  
We're off to never-never land  
We're off to never-never land  
We're off to never-never land
