

Motorhead, Louie Louie

(Chuck Berry)

Louie Louie, oh baby, we gotta go.
Yi-yi-yi-yi-yi
Louie Louie, oh baby, we gotta go.

You're my little girl, she's waiting for me.
I sail a ship across the sea.
On the ship you know I'm all alone.
I wonder if I'll ever make it home.

Louie Louie, oh no, we gotta go.
Yi-yi-yi-yi-yi
Louie Louie, oh baby, we gotta go.

Three nights and days I sailed the sea.
I think of girls oh constantly.
On the ship you know I dream she's there.
I smell the roses in her hair.

Louie Louie, oh baby, we gotta go.
Yi-yi-yi-yi-yi
Louie Louie, oh yeah, we've gotta go.

I see the Jamaica moon above.
I don't know when I'm gonna see my love
I know I'll hold her in my arms and then
I'll tell her that I'll never leave her again

Louie Louie, achacha,
Louie Lou
Louie Louie, oh baby, we gotta go.
