

# Motorhead, Love Me Like A Reptile

Knew I had to bite you baby when I first set eyes on you,  
That moment turned me on, I can't believe it's true,  
I like to watch your body sway,  
I got no choice, I'm gonna twist your tail,  
Love Me Like A Reptile, I'm gonna sink my fangs in you

Thunder lizard, stony eye, you got me hypnotised,  
Hot tongue breaks in and out and I can't believe my eyes,  
And your soft white belly, next to mine,  
Scaly baby, see you shine,  
Love Me Like A Reptile, you're murder in disguise,  
Black mamba, murder in disguise

Baby you're a rattlesnake, you know the way I feel,  
Feel you crawling up my back, you've got no love to steal,  
You know I've got my eyes on you,  
You're petrified, gonna stick like glue,  
Love Me Like A Reptile, shock you like an electric eel
