

# Mott The Hoople, Till I'm Gone

(Mick Ralphs)

Telling you for your own good now  
You don't have to stay if you want to leave here  
Giving up just a piece of my mind  
You might find it hard but I lost it long ago (whoa oh oh)  
Tell me, what you gonna do when your first love leaves you  
How you gonna feel when it all deceives you  
I know what it's like to be alone  
One thing more, I'll never fall in love til I'm gone  
Please don't think that I don't feel it  
Sometimes I can't hide the way I'm bearing (whoa oh oh)  
Something hurts so bad it feels like years  
To know the things that I am caring, what I am  
Tell me, what you gonna do when your first love leaves you  
How you gonna feel when it all deceives you  
I know what it's like to be alone  
One thing more, I'll never fall in love til I'm gone  
What you gonna do when your first love leaves you  
How you gonna feel when it all deceives you  
I know what it's like to be alone  
One thing more, I'll never fall in love til I'm gone
