

# Moulin Rouge, Spectacular, spectacular

It will be... Spectacular, spectacular!

No words of the vernacular

Can describe this great event

You'll be dumb with wonderment

Returns are fixed at ten percent

You must agree, that's excellent

And on top of your fee

You'll be involved artistically

So exciting

The audience will stomp and cheer

So delighting

It will run for fifty years

So exciting

The audience will stomp and cheer

So delighting

It will for fifty years

Elephants

Bohemians

Indians

And courtesans

Acrobats

And juggling bears

Excotic girls

Fire eaters!

Muscle men and contortionists

Intrigue danger and romance

Electric lights

Machinery

Oh the electricity!

So exciting

The audience will stomp and cheer

So delighting

It will run for fifty years

So exciting

The audience will stomp and cheer

So delighting

It will run for fifty years

Spectacular, Spectacular

No words of the vernacular

Can describe this great event

You'll be dumb with wonderment

The hills are alive

With the sound of music

So exciting

The audience will stomp and cheer

So delighting

It will run for fifty years

So exciting

The audience will stomp and cheer

So delighting

It will run for fifty years

The courtesan and sitar man

Are pulled apart by an evil plan

But in the end she hears his song

And their love is just too strong

It's a little bit funny, this feeling inside

So exciting

The audience will stomp and cheer

So delighting

It will run for fifty years

The sitar player's secret song

Helps them flee the evil one

Though the tyrant rants and rails

It is all to no avail

I am the evil maharajah  
You will not escape!  
Oh Harold, no one could play him like you could.  
No one's going to.  
So exciting  
We'll make them laugh, we'll make them cry  
So delighting  
And in the end should someone die?  
So exciting  
The audience will stomp and cheer  
So delighting  
It will run for fifty years  
Generally I like it
