

# Moulin Rouge, We can be lovers

Evan:

Love is a many splendored thing,  
love lifts us up where we belong,  
all you need is love

Nicole:

please don't start that again

Evan:

all you need is love..

Nicole:

A girl has got to eat

Evan:

all you need is love

Nicole:

or she'll end up on the street

Evan:

all you need is love..

Nicole:

Love is just a game..

Evan:

I was made for loving you baby,  
you were made for loving me

Nicole:

The only way of loving me baby is to pay a lovely fee

Evan:

Just one night, just one night

Nicole:

There's no way, 'cause you can't pay

Evan:

In the name of love

one night in the name of love

Nicole:

You crazy fool, I won't give in to you

Evan:

Don't.. leave me this way

I can't survive, without your sweet love

Oh baby, don't leave me this way

Nicole:

You think that people would have had enough of silly love songs

Evan:

I look around me and I see it isn't so, oh no..

Nicole:

Some people wanna fill the world of silly lovesongs

Evan:

Well what's wrong with that,

I'd like to know

'cause here I go again..

Evan:

Love lift us up where we belong  
where eagles fly, on a mountain high

Nicole:

Love makes us act like we are fools  
Throw our lives away, for one happy day

Evan:

We could be heros

Just for one day

Nicole:

You, you will be mean

Evan:

No I won't!

Nicole:

And I.. I'll drink all the time

Evan:

We should be lovers

Nicole:

We can't do that!

Evan:

We should be lovers, and that's a fact

Nicole:

No, nothing will keep us together

Evan:

We could still turn, just for one day

Both:

We could be heros, forever and ever

We could be heros, forever and ever

We could be heros..

Evan:

Just because I.. will always love you

Nicole:

I cant help loving

Evan:

you..

Nicole:

How wonderful life is

both:

now you're in the world.
