Money taller than the trees in Yosemite
Got my 40 on me, that's my mini me.
Damn near anything I want I can afford it. Listen
Never hustle backwards, always forward. Progression.
I got multitask always on the grind. Awe
I can walk and chew gum at the same-time.
I ain't on hiatus, I ain't missing in action.
I'm the center of attention, bitch, the main attraction.
When I enter the turf, when I pull up. People gather around me
Like an ice cream truck, no cappin

People always ask me what I do for a liv..
I wear many hats, I'm something like lids.
I love liquor and sex, booty and breast.
A couple stretch marks and cellulite on her flesh.
She got her legs open like a field goal poll,
booty softer than a king Hawaiian roll. Bitch.

Big subwoofer bouncing like a trampoline
Glass shake when I roll past the scene
Candy apple paint dripping classic green
Everybody eating, you can ask the team,
fast and mean, speaking bumping, tags is clean
Keep me something to smoke on.
Bad bitch to poke on, bass hit like an earthquake
You niggas hold on, I hit the block and roll on ...

My bitch got ass like two 18s.
Her favorite too short song, is in those jeans.
Shake it baby if you like this song
Do a nasty dance everytime they turn it on
Its got more bass than baseball.
She down on her knees, she want a facial.
I gotta give her what she want, turn it up
Loud, and let that shit bump
Everybody love the funk, stopping in the trunk
You I the back seat wishin you was in the front.
She said something, asked me if I heard.
But bitch I can't hear one mother fuckin word. Bitch
