

Moving Units, Between Us & Them

it's so clear now, i'm understanding
and the furniture, matches the ceiling
it was different than, you had expected
will you pardon me, i wasn't elected
i know it's difficult, so
i will be patient
i guess we have to ask that
if it's okay, yeah
i'll make it easy for you, what a disaster
maybe it's better off this way
better off this way
it's a task, and then, when you complete it
will you loan me when, i wasn't needed
'cause it's natural, to feel unfaithful
when you're going to, be anyway
oh-oh-oh
i know it's difficult now, but you can try to
was it worth all the fuss, 'cause, i feel so seedy
i'll make it easy for you, what a disaster
we couldn't go wrong, any faster
i never wanted anything
i never wanted anything
i never wanted anything
uh-uh-uh
i never wanna
i never wanna
i never wanted
i never wanted
ooh-oh, ooh-oh
i never wanted
ooh-oh, ooh-oh
i never wanted
ooh-oh, ooh-oh
i never wanna
ooh-oh, ooh-oh
i never wanna
uh-uh, uh-uh, uh-uh, uh-uh
