

# Moving Units, Submission

Remember the romance  
Remember the danger  
Remember the romance  
Remember the danger  
There is submission and  
There is condition so there  
It's all the same (The treasure)  
We touch and we play (The pleasure)  
It's tender today (So tender)  
But it will decay (Remember)  
Because  
We are an aberration  
We are no longer  
We are degenerating  
We are vulgar  
We are disintegrating  
We are vulgar  
Remember the Romans  
Remember the danger  
Push it in  
Pull it out  
We are no longer (Emotions)
