

Moving Units, Submission

Remember the romance
Remember the danger
Remember the romance
Remember the danger
There is submission and
There is condition so there
It's all the same (The treasure)
We touch and we play (The pleasure)
It's tender today (So tender)
But it will decay (Remember)
Because
We are an aberration
We are no longer
We are degenerating
We are vulgar
We are disintegrating
We are vulgar
Remember the Romans
Remember the danger
Push it in
Pull it out
We are no longer (Emotions)
