

Moxy Fruvous, Intra-Pennsylvania Rivalry

(Jian)

Well, thank you very much everybody. What a thrill it is to be back in Pittsburgh...what? oh sorry, I mean uh Phila-Philadelphia. Well, we figured for the live album, it'd be cooler...Pittsburgh'd be a cooler city to be in.

(Murray)

Yes, so *laugh*

(Jian)

So, thanks Pittsburgh.

Keep it up, man. Ah...it's great walking around in the Steel City.

(Dave)

I love the way the rivers merge in the town. It's so nice. So many levels.

(Jian)

Aw - just kidding. We hate Pittsburgh. This is exactly what we hoped to created which is an Intra-Pennsylvania rivalry - which probably already exists, I know. but you know, we just wanna fan the flames as Canadians who really have nothing to do with this. You know? Philadelphia should take...I mean, why haven't you, you know, marched on Pittsburgh. And taken it with. You know? I figure, you know... I mean I'm not talking about nuclear weapons, chemical weapons, I'm not talking about any of that. I'm talking an agrairian revolt. Pitchfolks, a spade. Go after those Pittsburgh people. What's your problem?
