

# Moxy Fruvous, Pisco Bandito

(Mike - congas/shaker, Jian - electric guitar, Murray - acoustic guitar, Dave - bass)

(Murray on lead)

In Haliburton near the Lake of Bays  
lives a fish from a faraway  
He hates the weather but still he stays  
He hates the work but he says it pays

He robs the people as they swim and wade  
His little piece of the tourist trade  
This little fella's really got it made

(All)

From May to mid-July

(All)

He's Pisco Bandito the bandit fish  
If he wants your money, he gets his wish  
then he swims away with a mighty swish  
Pisco the bandit fish

(Mike)

rrrrrrrow!

(rest)

(Murray)

(rest)

He left his family down in Mexico (ba ba da dop)  
to fly (ply?) the waters of Ontario (ba ba da dop)  
He didn't want to but he had to go (ba ba da dop)  
He sends them money every month or so (ba ba da dop)

or renting videos of Midnight Run (ba ba da dop)  
A bandit's life is lots of fun
