## Moxy Fruvous, Poor Napoleon

(Jian on lead, w others joining in on certain lines) I can't lie on this bed anymore it burns my skin You can take the truthful things you've said to me And put them on the head of a pin

## **Poor Napoleon**

You always look so disappointed when I take my stockings off Don't you know the facts of life, boy Don't you know what these things cost She was selling stolen kisses to travelling salesmen and minstrel singers You put a penny in the slot She called you her Magic Fingers

(Jian) Poor Napoleon

(All) Poor Napoleon

(Dave, w others singing "Bop bop bop...") I bet she isn't all that's advertised I bet that isn't all she fakes Just like that place where they take your spine And turn it into soapflakes

(Jian)

Bare wires from the socket to the bed where you embraced that girl Did you ever think there's far too many people in the world? One day they'll probably make a movie out of all of this There won't even have to be a murder just a slow dissolving kiss

(All) Poor Napoleon
