

# Moxy Fruvous, Sleepy Drinker

Mike on lead)

I'm a sleepy drinker, yes I am.

Home a little early, poured myself a dram.

All the cars just rush along, they don't understand.

I'm a sleepy drinker, yes I am.

I'm a slow provider, yes it's true.

Dolling out these seeds and some kernels, too.

All the birds just fly away, got better things to do.

I'm a sleepy drinker, yes it's true.

There's an old sundial, out on the lawn,

can't turn it off, can't turn it on.

What's to be done?

I'm a sleepy lover, yes I am.

Got to concentrate on the task at hand.

She looks at me and me, I just sigh,

baby, I'm your lover man.

I'm a sleepy drinker...

I'm a sleepy drinker...

I'm a sleepy drinker, yes I am.
